Mayor Burtons Tidbits

The **Honea Path Police Department** wants to say a big thank you for the turn out that we had for the Citizens Academy. The Police Department is recommending that you lock your vehicle(s) and put away your valuables to prevent items from getting stolen and or broken into. Please call us if you see suspicious activity at 864-260-4444 (if non-emergent).

The **Honea Path Fire/EMS Department** has to enforce the Fire Code. Section 507.5.4 requires unobstructed access to fire hydrants be maintained at all times. The fire department shall not be hindered from gaining immediate access to hydrants. Section 507.5.5 requires a 3-foot clearance around all hydrants. Section 901.8 makes it unlawful for anyone to tamper with fire hydrants - this includes painting the hydrants. Hydrants are color coded by the flow that a particular hydrant will provide for fire protection.

The **Honea Path Water Department** strongly recommends that our citizens DO NOT flush trash, wipes, or feminine products down the toilet. This is not good for our sewer system and can cause overflows and clogs. Please help keep the drain(s) clean.

The **Recreational Department** wants to share that we had a wonderful summer at the Honea Path Pool. We would like to thank all of our patrons and send a "Thank You" to the pool staff for keeping everyone safe. As the pool season ends, our football and soccer seasons are moving forward as scheduled. Our next season will be our spring sports sign ups. We usually start the 2nd week of February. This will consist of boy baseball ages 4-12 and girl soft ball ages from 7-12. Thank you for your continued support of our local kids. See you all soon!
