December 2020 Newsletter

Deviation Schedule:

The Town Hall will be closed December 24, 25, & 28 2020 in observance of Christmas Day.

The Trash Pick-up schedule will be as followed during this holiday time-period:

- Monday December 21, December 22 – normal pickup
- Trash service normally picked up on Thursday December 24th will be picked up Wednesday December 23rd
- Trash service normally picked up on Monday December 28th will be picked up on Tuesday December 29th

The **Honea Path Police Department** recommends to please beware of your surroundings. Christmas holidays are just around the corner, citizens will be leaving their homes to visit with family and friends. The police department wants to encourage residents to feel free to call and request property checks while you are away at 864-369-0532, this can help prevent break in(s). Also, remember not to share on social media when you are going on vacation or leaving town, criminals may take this is an invitation to steal your valued goods or break into your property.

The **Honea Path Fire/EMS Department** strongly recommends that everyone test their smoke detectors. Every house should have a detector in every bedroom and one outside of each bedroom. There should also be a detector on every occupied floor. If there are any questions or problems with your detectors, call Honea Path Fire/EMS at 369-2976 or 369-0112.

The **Honea Path Water Department** has strongly recommended that our citizens DO NOT flush wipes, trash, or feminine products down the toilet. Even if these items say “flushable” on the packaging these products are not meant to be in the sewer collection system and can cause overflows, clogs, backups into residences, pump failures, and expensive repairs. Also remember not to pour grease down the drains. Please help keep the drain(s) clean and our equipment operational.

The **Recreational Department** would like to share that our next season will be our spring sports sign ups. We usually start the 2nd week of February. This will consist of boy baseball ages 4-12, and girl soft ball ages from 7-12. Thank you for your continued support of our local kids - see you all soon.

- Honea Path Recreational Department Director Tim Pace and Assistant Director Hunter Pace.

The **Zoning Department** will strongly enforce Section 814 of The Town Ordinance. *Parking and storage of Major Recreational Equipment.* No major recreational equipment shall be parked or stored on any lot in a residential district except in a carport or enclosed building or behind the nearest portion of a building to a street, provided however, that such equipment maybe parked on a residential premise for a period not to exceed 48 hours during loading or unloading. Such equipment shall observe all setbacks, yard and other requirements set forth within the residential district in which they are located, no such equipment shall be used for living, sleeping, or housekeeping purposes when parked or stored on a residential lot, or in any location not approved for such uses. Visitors to a residence, but not the property owners, are allowed to park on a residential premise for a period not to exceed 10 days. Any question please contact Town of Honea Path 864-369-2466 for further assistance.
