October 2021 Newsletter

The **Honea Path Police Department** has teamed up with Anderson School District Two for Autism Awareness. The Police Department will now have Autism/Down Syndrome stickers for your vehicles. These stickers help inform law enforcement on how to engage with our citizens with autism or downs syndrome. Our department loves every opportunity to make life safer for the community. If you need one of these stickers, please contact the Honea Path Police department at 864-369-0532.

The **Honea Path Fire/EMS Department** October is fire prevention month. Everyone needs to check their smoke detectors and change the batteries if this hasn't been done in the past 6 months. If you don't have a working smoke detector, call 369-2976 to have one installed. Also, everyone needs to have 2 ways out of their home and practice regular fire drills at home. Also with cold weather approaching, have your heating system checked by a certified technician. There will be a **FIRE PREVENTION OPEN HOUSE on 10/10/21 at HONEA PATH FIRE STATION 1 from 2-4 PM.**

The **Honea Path Water Department** has strongly recommended that our citizens do not flush trash, wipes/ flushable wipes, feminine products down the toilet, as well, not pouring grease down the drain. This is not very good for our sewer it can cause it to overflow, and clogs. Please help keep the drain(s) clean.

The **Recreational Department** just would like to thank everyone for their support. God Bless you all. Honea Path Recreational Department Director Tim Pace and Assistant Director Hunter Pace.

The **Watkins Community Center** just recently held its annual summer children's theater camp July 12-15, 2020.
