The **Honea Path Police Department** is recommending that with daylight savings time approaching, please beware of your surroundings. Thanksgiving and Christmas holidays are just around the corner, citizens will be leaving their homes to visit with family and friends. The Police department wants to encourage residents to feel free to call and request property checks while you are away at 864-369-0532, this can help prevent break in(s). Also, remember not to share on social media when you are going on vacation or leaving town, criminals may take this as an invitation to steal your valued goods or break into your property. Please contact the Honea Path Police department at 864-369-0532.

The **Honea Path Fire/EMS Department** - has to enforce that owner of each building is required by ordinance to post address numbers in a conspicuous place. Numbers shall be 4 inches high on residences and 4 inches high by 1/2 inches wide on commercial property. Numbers must be clearly visible from the street and contrasting color to the building. Failure to comply will result in fines or imprisonment. Also, this could mean the difference between life or death in an emergency situation. For any questions call the Fire Department at 864-369-2976.

The **Honea Path Water Department** would like to remind everyone that even though the town provides a Polly cart for residential trash, all trash should be bagged before being placed into the cart. This reduces trash being blown out of the truck and allows us to be more efficient in our duties. Polly Carts should also be placed at the curb the night before collection day. Citizens having yard work done by someone other than themselves are reminded that the person or company doing the work part required to dispose of the waste generated and have a current business license.

The **Recreational Department** would like to thank everyone for a very successful football season and would like to congratulate 10U football, for making the Anderson County Championship.
