The Honea Path Walk with the Docs event held in memory of former Mayor Lollis Meyers was a success! Thank you to all who participated, our sponsors, and our speakers. This years Walk with the Docs raised over \$10,000 for our Honea Path Clinic, and we had 35 walk participants and more who came to our opening ceremony to show support! If you or someone you know needs health care, lives in Anderson County (does not have to live in HP), and does not have health insurance (including Medicaid/Medicare)--- please come by our clinic or call me for an application. You can easily pick applications up by going by the clinic and taking one out of the blue box attached to the building outside of the clinic door. Call the Anderson Free Clinic at 864-512-7804 with questions or to set up a time for new patient intake. Intake will be completed at the HP Clinic from 12pm-2pm on clinic days and every Wednesday morning from 9:00 am to 11:00 am at the Anderson clinic.
