HONEA PATH FIRE:

Lately we have received several complaints about chickens roaming freely in our neighborhoods. Our Zoning Ordinance does allow non-commercial livestock and fowl keeping in town as long as it is done with full compliance to Article 4 of the Honea Path Municipal Code. In Article 4 of the Municipal Code Section 4-4 it states that it is unlawful for any person to permit, suffer or let, whether by negligence, carelessness or otherwise, any animal to run at large within the municipality. Section 4-9 of the Municipal Code establishes restrictions governing the location of coops, pens and enclosures. It states, All coops and similar enclosure designed or used for the keeping of ten or more fowl shall be located nearer than 200 feet from the dwelling of a person other than the owner of such enclosure.

Please join us for the Wreaths Across America ceremony on December 18, 2022 at the Veterans Monument, Honea Path at 2:00 pm. After the ceremony, we will proceed to Eastview Cemetery to lay the wreaths on Veterans' graves. We are not decorating graves, we are honoring and remembering them. It is also an opportunity to teach our young people.
