Sponsorship Of The Month

The Commercial Bank is proud to announce that it is celebrating its 90th anniversary in business this year.

Established in 1934, our bank is the oldest locally owned bank in Anderson County, South Carolina. The Commercial Bank was formed during the Great Depression, as Dr. E.R. Donald served as the first president from 1934-1946. Over the years we have been privileged to serve our communities and have grown significantly with branches located in Honea Path, Belton, South Greenville, Donalds, Due West, Greenwood and soon to be Ware Shoals. We are proud to be a successful independent community bank. We are the Hometown Bank where we know our customers and they know us. Our bank employees, who we consider family, are involved in our communities, where we are honored to work, play, shop and live. We have always been committed to providing exceptional financial services in the communities we serve.

Throughout this year, the bank will be celebrating this momentous occasion beginning with Customer Appreciation Day at all offices on June 6, 2024.
