Better starts with AnMed in Honea Path

Find exceptional care and attentive treatment for your whole family in a safe and comfortable setting at AnMed Primary Care - Honea Path, formerly Honea Path Family Medicine. Our friendly, experienced family medicine specialists and nurse practitioners help you stay healthy through all of life's ups and downs.

We're located just off Church Street in the heart of Honea Path with a covered entrance for easy drive-up and drop-off convenience, and we have extended hours from 7 a.m. until 7 p.m. on Tuesdays through Fridays.

We've served the community for more than 40 years. We cover all your essential primary-care needs, including physicals, X-rays and lab tests, and we provide access to the entire, broad spectrum of services offered by the AnMed system while performing simple procedures on-site.

Another option when it's needed is virtual urgent care, brought to you through AnMed's partnership with MUSC Health. It's always available and absolutely convenient, with visits starting at just \$35. Visit anmed.org/virtual-urgent-care.

Founded in 1908, AnMed is an independent, not-for-profit health system serving Upstate South Carolina and northeast Georgia. It was named one of the nation's 153 "Great Community Hospitals" by Becker's Hospital Review. The system has more than 60 physician practices offering care in more than 25 specialties.
