

Be sure to put your garbage out next to the road the night before your pick-up day. All trash must be inside the poly cart for the truck to get it! Make sure you put it out every week! There are some customers that put a whole month's worth of garbage out at one time. Please do not do this, as they will not pick up bags outside of the poly cart! If you need to add a poly cart to your bill for these extra bags, please contact Town Hall at 864-369-2466, and they will take care of that for you.
